

A. Seen and One-Step

1. Based on the information I gave you, what step do I have to take to "South of House" from "West of House"?

To get to the "South of House" from the "West of House," you need to go east from the "West of House." Then you can either continue east until you reach the front of the house and go south from there, or you can take a detour by going southeast, then south, then west, then south again, which will bring you to a path that leads to the "South of House."

2. Based on the information I gave you, what step do I have to take to "Behind House" from "South of House"?

To get to "Behind House" from "South of House", you need to go north twice.

3. Based on the information I gave you, what step do I have to take to "Kitchen " from "Behind House"?

To get to the Kitchen from Behind House, you need to go west.

4. Based on the information I gave you, what step do I have to take to "Living Room " from "Kitchen"?

To go to the Living Room from the Kitchen, you need to go through the doorway leading out of the Kitchen and enter the East-West Passage. From there, you can follow the passage to the west and reach the Living Room.

5. Based on the information I gave you, what step do I have to take to "Cellar " from "Living Room"?

To get to the "Cellar" from the "Living Room," you need to follow these steps:

1. Go west to enter the "West of House" area.
2. Move the rug to reveal the trapdoor.
3. Open the trapdoor and descend the staircase to the "Cellar."

6. Based on the information above, what one step do I get to "East of Chasm" from "Cellar"?

To get to "East of Chasm" from "Cellar," you need to go up the rickety staircase and through the trap door, then go north to reach the trap door at the top of the cellar. From there, you need to go east to reach the East-West Passage and then continue east to reach the Chasm. Once you are at the Chasm, you need to go east to reach "East of Chasm".

7. Based on the information I gave you, what step do I have to take to "Gallery " from "East of Chasm"?

To reach the "Gallery" from "East of Chasm," you will need to go north and then continue east.

8. Based on the information I gave you, what step do I have to take to "Studio" from "Gallery"?

From the Gallery, you would need to go north to the East of Chasm room, then take the narrow passage leading north again to reach the Studio.

9. Based on the information I gave you, what step do I have to take to "Kitchen" from "Studio"?

To reach the Kitchen from the Studio, you need to go south to the open door, which leads to a dark and narrow chimney. You can climb up the chimney to the Attic, then go down the stairs to the Kitchen.

10. Based on the information I gave you, what step do I have to take to "Attic" from "Kitchen"?

From the Kitchen, you need to go up the staircase to reach the Attic.

11. Based on the information I gave you, what step do I have to take to "Kitchen" from "Attic"?

To get to the Kitchen from the Attic, you would need to go down the staircase to the Living Room, then continue down the staircase to the West of the Living Room to reach the Kitchen.

12. Based on the information I gave you, what one step I have to take to "The Troll Room" from "Cellar"?

To reach "The Troll Room" from "Cellar", you need to go north.

13. Based on the information I gave you, what one step I have to take to "East-West Passage" from "The Troll Room"?

To get to the "East-West Passage" from "The Troll Room," you would need to go south, then east.

14. Based on the information I gave you, what one step I have to take to "Round Room" from "East-West Passage"?

To get to "Round Room" from "East-West Passage", you have to go east.

15. Based on the information I gave you, what one step I have to take to "Engravings Cave" from "Round Room"?

To get to "Engravings Cave" from "Round Room", you need to take the passage leading east.

16. Based on the information I gave you, what one step I have to take to "Dome Room" from "Engravings Cave"?

From the Engravings Cave, you need to go east to reach the Dome Room.

17. Based on the information I gave you, what one step I have to take to "Torch Room" from "Dome Room"?

From the Dome Room, you have to go down the staircase leading to the Torch Room to get there.

18. Based on the information I gave you, what one step I have to take to "Temple" from "Torch Room"?

From the Torch Room, you can reach the Temple by going south.

19. Based on the information I gave you, what one step I have to take to "Egyptian Room" from "Temple"?

To get to the "Egyptian Room" from the "Temple," you need to go east.

20. Based on the information I gave you, what one step I have to take to "Temple" from "Egyptian Room"?

To get to the Temple from the Egyptian Room, you would need to go west.

21. Based on the information I gave you, what one step I have to take to "Altar" from "Temple"?

To reach the Altar from the Temple, you have to go south.

22. Based on the information I gave you, what one step I have to take to "Forest" from "Altar"?

To reach the Forest from the Altar, you need to go north.

23. Based on the information I gave you, what one step I have to take to "Clearing" from "Forest"?

You have to go north to reach "Clearing" from "Forest".

24. Based on the information I gave you, what one step I have to take to "Canyon View" from "Clearing"?

You need to go east from the Clearing to reach Canyon View.

25. Based on the information I gave you, what one step I have to take to "Rocky Ledge" from "Canyon View"?

To get to "Rocky Ledge" from "Canyon View", you have to climb down the cliff as it is mentioned that "Above you is more cliff, which appears climbable."

26. Based on the information I gave you, what one step I have to take to "Canyon Bottom" from "Rocky Ledge"?

You would have to go down to reach "Canyon Bottom" from "Rocky Ledge".

27. Based on the information I gave you, what one step I have to take to "End of Rainbow" from "Canyon Bottom"?

To reach "End of Rainbow" from "Canyon Bottom", you need to go north.

28. Based on the information I gave you, what one step I have to take to "Canyon Bottom" from "End of Rainbow"?

To get from "End of Rainbow" to "Canyon Bottom," you need to go north.

29. Based on the information above, what one step do I get to "Rocky Ledge" from "Canyon Bottom"?

To get to "Rocky Ledge" from "Canyon Bottom", you would need to go up.

30. Based on the information above, what one step do I get to "Canyon View" from "Rocky Ledge"?

To get to "Canyon View" from "Rocky Ledge", you need to go up.

31. Based on the information I gave you, what one step I have to take to "Clearing" from "Canyon View"?

To reach "Clearing" from "Canyon View", you need to go northwest.

32. Based on the information I gave you, what one step I have to take to "Behind House" from "Clearing"?

You need to go west from Clearing to reach Behind House.

B. Seen and Two-Step

1. Based on the information I gave you above, how do I get to "Behind House" from

"West of House"?

To get to "Behind House" from "West of House", you need to go south twice, then east.

2. Based on the information I gave you above, how do I get to "Kitchen" from "South of House"?

From "South of House", you need to go north to "Behind House", then enter the house and go east to reach the "Kitchen".

3. Based on the information I gave you above, what steps do I have to take to "Living Room" from "Behind House"?

To get to the "Living Room" from the "Behind House", you need to go west.

4. Based on the information I gave you above, what steps do I have to take to "Cellar" from "Kitchen"?

To get to the Cellar from the Kitchen, you need to follow these steps:

1. Go down the trap door that is located in the Kitchen.
2. Once in the Cellar, go north to reach the East of Chasm.
3. From there, go east to reach the Gallery.
4. Then, go north to enter the Studio.
5. In the Studio, go south to reach the Kitchen.
6. Finally, go west from the Kitchen to reach the Living Room, where the trap door to the Cellar is located.

5. Based on the information I gave you above, what steps do I have to take to "East of Chasm" from "Living Room"?

To get to "East of Chasm" from the "Living Room," you will need to follow these steps:

1. Go west to the "West of House"
2. Go north to the "Behind House"
3. Go east to the "Clearing"
4. Go north to the "Forest Path"
5. Go east to "East of Chasm"

Note that there are multiple paths you can take through the game, so there may be other ways to reach "East of Chasm" as well.

6. Based on the information I gave you above, what steps do I have to take to "Gallery" from "Cellar"?

To get from the "Cellar" to the "Gallery," you need to take the following steps:

1. Go north to the "East of Chasm" room.
2. Go east to the "Gallery" room.

7. Based on the information I gave you, what steps do I have to take to "Studio" from "East of Chasm"?

To reach the "Studio" from "East of Chasm," you need to take the following steps:

Go north to "The Troll Room."
Go east to "The Twopit Room."
Go down the west pit to "The Cellar."
Go north to "The Altar."
Go up the staircase to the west to "The Temple."
Go down the staircase to the east to "The Tomb."
Go east to "The Round Room."
Go southeast to "The Engravings Cave."
Go east to reach "The Studio."

8. Based on the information I gave you, what steps do I have to take to "Kitchen" from "Gallery"?

To get from the "Gallery" to the "Kitchen", you would need to go west to the "Living Room", then south to the "Altar", and finally east to the "Kitchen".

9. Based on the information I gave you, what steps do I have to take to "Attic" from "Studio"?

To get from "Studio" to "Attic," you need to go up the dark and narrow chimney that leads up from the fireplace in the south end of the room. This will take you to the "Kitchen" on the floor above. From there, you can go up the stairway to the "Attic."

10. Based on the information I gave you, what several steps do I have to take to "Living Room" from "Attic"?

To get from the Attic to the Living Room, you need to:

1. Go down the stairs to the Kitchen.
2. Exit the Kitchen to the west to enter the Living Room.

11. Based on the information I gave you, what several steps do I have to take to "The Troll Room" from "Living Room"?

To get to "The Troll Room" from the "Living Room," you would need to follow these steps:

1. Go east to the "East-West Passage."
2. Go east to the "Round Room."
3. Go southeast to the "Engravings Cave."
4. Go east to the "Dome Room."
5. Go down the staircase to the "Torch Room."
6. Go south to the "Temple."
7. Go south to the "Altar."

8. Pray to be transported to the "Forest."
9. Go north to the "Clearing."
10. Go east to the "Canyon View."
11. Go northwest to "The Troll Room."

12. Based on the information I gave you, what several steps do I have to take to "East-West Passage" from "Cellar"?

From the "Cellar," you need to go north to "The Troll Room." In the Troll Room, you need to defeat the troll using your sword. After defeating the troll, you can go east to the "East-West Passage."

13. Based on the information I gave you, what several steps do I have to take to "Round Room" from "The Troll Room"?

To get from "The Troll Room" to "Round Room," you would need to take the following steps:

1. Go east to the "East-West Passage."
2. Continue east to the "Round Room."

14. Based on the information I gave you, what several steps do I have to take to "Engravings Cave" from "East-West Passage"?

To get to the "Engravings Cave" from the "East-West Passage," you need to go east from the "East-West Passage" until you reach the "Round Room." From the "Round Room," you need to go southeast to get to the "Engravings Cave."

15. Based on the information I gave you, what several steps do I have to take to "Dome Room" from "Round Room"?

To get from the "Round Room" to the "Dome Room," you would need to:

1. Go southeast to the "Engravings Cave."
2. Go east to the "Egyptian Room."
3. Go west to the "Round Room" (via the ascending staircase).
4. Go east to the "Dome Room."

16. Based on the information I gave you, what several steps do I have to take to "Torch Room" from "Engravings Cave"?

From the Engravings Cave, you will need to go east to the Dome Room, then take the staircase down to the Torch Room.

17. Based on the information I gave you, what several steps do I have to take to "Temple" from "Dome Room"?

To get from "Dome Room" to "Temple," you need to take the following steps:

1. Go up the ascending staircase to the west to reach the "Egyptian Room."

2. From the "Egyptian Room," take the ascending staircase to the west to reach the "Altar."
3. From the "Altar," go north through the exit of the temple to reach the "Forest."
4. From the "Forest," go south to reach the "Clearing."
5. From the "Clearing," go east to reach the "East-West Passage."
6. From the "East-West Passage," take the narrow stairway leading down at the north end of the room to reach the "Temple."

18. Based on the information I gave you, what several steps do I have to take to "Egyptian Room" from "Torch Room"?

To get from the Torch Room to the Egyptian Room, you need to take the ascending staircase to the west in the Torch Room. This will lead you to the Round Room, from where you can take the southeast passage to the Engravings Cave. From there, you need to take the east passage to the Dome Room, and then descend down the staircase in the northwest corner of the Dome Room to reach the Egyptian Room.

19. Based on the information I gave you, what several steps do I have to take to "Altar" from "Egyptian Room"?

From the Egyptian Room, you can go west to the Ascending Staircase and climb up to the west end of the Temple. From there, you can go south to reach the Altar.

20. Based on the information I gave you, what several steps do I have to take to "Forest" from "Temple"?

To get to the "Forest" from the "Temple", you need to follow these steps:

1. Go south from the "Temple" to reach the "Altar".
2. From the "Altar", go down the small hole in the floor to reach the "Hades" room.
3. In the "Hades" room, go south to enter the "Labryinth".
4. In the "Labryinth", go east to reach the "Twisty Little Passages, All Different" room.
5. From there, go south to reach the "Maze".
6. In the "Maze", go east to enter the "Cyclops Room".
7. From the "Cyclops Room", go south to reach the "Slab Room".
8. In the "Slab Room", go east to enter the "Reservoir".
9. From the "Reservoir", go south to reach the "Dam".
10. Finally, from the "Dam", go east to reach the "Forest".

21. Based on the information I gave you, what several steps do I have to take to "Forest" from "Altar"?

To reach the Forest from the Altar, you can follow these steps:

1. Exit the Altar room to the north.
2. Go through the huge marble pillars to the north end of the temple room.
3. Exit the temple room to the west.
4. Enter the Egyptian Room to the west.
5. Take the ascending staircase to the west.

6. Exit the Egyptian Room to the west.
 7. Go through the dimly lit forest to the south.
- This should lead you to the Forest.

22. Based on the information I gave you, what several steps do I have to take to "Clearing" from "Forest"?

To reach the "Clearing" from the "Forest," you would need to go north.

23. Based on the information I gave you, what several steps do I have to take to "Canyon View" from "Forest"?

To get from "Forest" to "Canyon View," you need to go north to "Clearing," then go east to "Canyon View."

24. Based on the information I gave you, what several steps do I have to take to "Rocky Ledge" from "Clearing"?

To get from the "Clearing" to the "Rocky Ledge," you would need to take the following steps:

1. Go north to "North of House"
2. Go east to "Behind House"
3. Go east to "Kitchen"
4. Go west to "Living Room"
5. Go west to "Forest Path"
6. Go north to "West of House"
7. Go north to "Clearing"
8. Go east to "Canyon View"
9. Go down to "Rocky Ledge"

25. Based on the information I gave you, what several steps do I have to take to "Canyon Bottom" from "Canyon View"?

To get from "Canyon View" to "Canyon Bottom", you need to follow these steps:

1. Go down the canyon by climbing down from the cliff at "Canyon View".
2. Follow the path to the north at "Canyon Bottom".

26. Based on the information I gave you, what several steps do I have to take to "End of Rainbow" from "Rocky Ledge"?

From "Rocky Ledge", you need to go down to "Canyon Bottom", then go north to "End of Rainbow".

27. Based on the information I gave you, what several steps do I have to take to "Rocky Ledge" from "End of Rainbow"?

From the "End of Rainbow," you need to go north to reach "Canyon Bottom." Then

you have to climb up to "Rocky Ledge."

28. Based on the information I gave you, what several steps do I have to take to "Canyon View" from "Canyon Bottom"?

To reach "Canyon View" from "Canyon Bottom," you need to follow the path north and climb up the canyon walls to reach the "Rocky Ledge." From there, you need to climb up to the "Canyon View" by following the cliff that appears climbable.

29. Based on the information I gave you, what several steps do I have to take to "Clearing" from "Rocky Ledge"?

To get to the "Clearing" from the "Rocky Ledge", you need to go down to the "Canyon Bottom" and then go north to the "End of Rainbow". From there, you can go southwest to reach the "Clearing".

30. Based on the information I gave you, what several steps do I have to take to "Behind House" from "Canyon View"?

To get to "Behind House" from "Canyon View," you would need to take the following steps:

1. Go east from "Canyon View" to "Canyon Bottom."
2. Go north from "Canyon Bottom" to "Rocky Ledge."
3. Go up from "Rocky Ledge" to "Canyon View."
4. Go northwest from "Canyon View" to "Clearing."
5. Go west from "Clearing" to "Behind House."

31. Based on the information I gave you, what several steps do I have to take to "Kitchen" from "Clearing"?

From the Clearing, you would need to go north, then west, and finally enter the house to reach the Kitchen.

C. Unseen and One-Step

1. Based on the information above, what one step do I get to "west of house" from "south of house"?

To get to "west of house" from "south of house", you need to go north twice, which will take you to the front of the house, and then go west once.

2. Based on the information above, what one step do I get to "South of House" from "Behind House"?

To get to "South of House" from "Behind House", you would need to go south.

3. Based on the information above, what one step do I get to "Behind House" from "Kitchen"?

To get to "Behind House" from "Kitchen", you need to go west.

4. Based on the information above, what one step do I get to "Kitchen" from "Living Room"?

To get to the Kitchen from the Living Room, you need to go east.

5. Based on the information above, what one step do I get to "Living Room" from "Cellar"?

To get to the "Living Room" from the "Cellar", you need to go up the trapdoor, which leads to the "Kitchen". From there, you can go west to reach the "Living Room".

6. Based on the information above, what one step do I get to "Cellar" from "East of Chasm"?

To get to "Cellar" from "East of Chasm," you need to go north.

7. Based on the information above, what one step do I get to "East of Chasm" from "Gallery"?

To get to "East of Chasm" from "Gallery", you need to go east.

8. Based on the information above, what one step do I get to "Gallery" from "Studio"?

To get from "Studio" to "Gallery," you need to go north.

9. Based on the information above, what one step do I get to "Studio" from "Kitchen"?

To get to "Studio" from "Kitchen", you need to take the open door at the south end of the room.

10. Based on the information above, what one step do I get to "Kitchen" from "Attic"?

To get to the "Kitchen" from the "Attic", you need to go down the stairway.

11. Based on the information above, what one step do I get to "Cellar" from "The Troll Room"?

To get to the "Cellar" from "The Troll Room", you need to go north, then east, then north again, and finally down the trapdoor that leads to the "Cellar".

12. Based on the information above, what one step do I get to "The Troll Room" from "East-West Passage"?

To get to "The Troll Room" from "East-West Passage", you need to take the narrow stairway leading down at the north end of the room. This will lead you to the Troll Room.

13. Based on the information above, what one step do I get to the "East-West Passage" from "Round Room"?

To get to "East-West Passage" from "Round Room", you need to go southeast.

14. Based on the information above, what one step do I get to "Engravings Cave" from "Dome Room"?

To get to "Engravings Cave" from "Dome Room", you need to go east.

15. Based on the information above, what one step do I get to "Dome Room" from "Torch Room"?

To get to "Dome Room" from "Torch Room", you need to climb up the rope that descends from the wooden railing around the dome, which is located above the "Torch Room". Once you reach the top of the dome, you will find the entrance to the "Dome Room".

16. Based on the information above, what one step do I get to "Torch Room" from "Temple"?

You need to go down the staircase located in the Temple to get to the Torch Room.

17. Based on the information above, what one step do I get to "Temple" from "Altar"?

To get to "Temple" from "Altar", you need to go north.

18. Based on the information above, what one step do I get to "Altar" from "Forest"?

From "Forest," you need to go north to reach "Clearing," and then from there, you need to go south to reach "Temple." Once you are in "Temple," you can go south to reach "Altar."

19. Based on the information above, what one step do I get to "Forest" from "Clearing"?

To get to "Forest" from "Clearing", you would need to go south.

20. Based on the information above, what one step do I get to "Clearing" from "Canyon View"?

To get to "Clearing" from "Canyon View", you need to go northwest.

D. Unseen and Two-Step

1. Based on the information I gave you above, how do I get to "West of House" from "Behind House"?

To get to "West of House" from "Behind House", you need to go west.

2. Based on the information I gave you above, how do I get to "South of House" from "Kitchen"?

To get to "South of House" from "Kitchen", you need to go west to the living room, then south to the south end of the room, and finally exit through the door to the south.

3. Based on the information I gave you above, what steps do I have to take to "Behind House" from "Living Room"?

To get to "Behind House" from the "Living Room", you will need to go west.

4. Based on the information I gave you above, what steps do I have to take to "Kitchen" from "Cellar"?

To get from the "Cellar" to the "Kitchen", you need to follow these steps:

1. Go north to the "East of Chasm" room.
2. Go east to the "Gallery".
3. Go north to the "Studio".
4. Go up the chimney to the "Kitchen".

5. Based on the information I gave you above, what steps do I have to take to "Living Room" from "East of Chasm"?

From "East of Chasm", you can take the following steps to reach the "Living Room":

1. Go north to "The Troll Room"
2. Kill the troll with your sword
3. Go east to "East-West Passage"
4. Go east to "Round Room"
5. Go southeast to "Engravings Cave"
6. Go east to "Dome Room"
7. Go down the stairs to "Torch Room"
8. Go south to "Temple"
9. Go west to "Living Room"

6. Based on the information I gave you above, what steps do I have to take to "Cellar" from "Gallery"?

To get to the "Cellar" from the "Gallery", you need to take the following steps:

1. Go north from the "Gallery" to the "Studio".
2. From the "Studio", go south through the open door to enter the "Kitchen".
3. In the "Kitchen", take the staircase leading down to the "Cellar".

7. Based on the information I gave you above, what steps do I have to take to "East of Chasm" from "Studio"?

To get to "East of Chasm" from "Studio", you would need to follow these steps:

1. Go south to the open door at the south end of the room.
2. Enter the doorway to reach the chimney.
3. Climb up the chimney to reach the kitchen.
4. Go east to reach the living room.
5. Take the elvish sword from above the trophy case if you haven't done so already.
6. Go west to the east-west passage.
7. Continue east through the round room.
8. Go southeast in the engravings cave.
9. Continue east to reach the dome room.
10. Go down the rope tied to the wooden railing to reach the torch room.
11. Go south to reach the temple.
12. Go east to reach the Egyptian room.
13. If you haven't already done so, take the solid-gold coffin used for the burial of Ramses II.
14. Go west to return to the temple.
15. Go south to reach the altar.
16. If you haven't already done so, take the large black book from the altar.
17. Go north to leave the altar.
18. Go west to the living room.
19. Exit the living room to the west to reach the canyon view.
20. From there, follow the path northwest to reach the east of chasm.

8. Based on the information I gave you, what steps do I have to take to "Gallery" from "Kitchen"?

To get from the Kitchen to the Gallery, you need to take the following steps:

1. Go up the stairway to the Attic.
2. Go down the stairway to the Living Room.
3. Go west to the Trophy Case Room.
4. Open the trophy case.
5. Put the painting inside the trophy case.
6. Take the elvish sword.
7. Go east to the East-West Passage.
8. Go east to the Round Room.
9. Go southeast to the Engravings Cave.

10. Go east to the Dome Room.
11. Tie the rope to the railing.
12. Go down the rope to the Torch Room.
13. Go south to the Temple.
14. Go east to the Egyptian Room.
15. Take the solid-gold coffin.
16. Go west to the Temple.
17. Go south to the Altar.
18. Take the black book.
19. Go north to the Clearing.
20. Go east to the Canyon View.
21. Go northwest to the Rocky Ledge.
22. Go up to the Canyon View.
23. Go northwest to the Clearing.
24. Go west to the Behind House.
25. Enter the house.
26. Go to the Living Room.
27. Take the painting from the trophy case.
28. Go east to the East-West Passage.
29. Go east to the Gallery.

9. Based on the information I gave you, what steps do I have to take to "Studio" from "Attic"?

To get from "Attic" to "Studio", you can take the following steps:

1. Go down the stairway to the Living Room.
2. From the Living Room, go west to the West of House.
3. From there, go south to the Behind House area.
4. Enter the House and go down to the Kitchen.
5. From the Kitchen, go south to the Cellar.
6. In the Cellar, go north to the Studio.

10. Based on the information I gave you, what steps do I have to take to "Attic" from "Living Room"?

To reach the "Attic" from the "Living Room", you would need to follow these steps:

1. Go east to reach the "Round Room".
2. Go southeast to reach the "Engravings Cave".
3. Go east to reach the "Dome Room".
4. Use the rope to descend from the railing and go down to the "Torch Room".
5. Go down the prominent doorway leading to a down staircase to reach the "Kitchen".
6. Go up the narrow stairway at the north end of the room to reach the "East-West Passage".
7. Go west to reach the "Living Room" again.
8. Go up the stairs to reach the "Attic".

I hope this helps!

11. Based on the information I gave you, what several steps do I have to take to "Living Room" from "The Troll Room"?

To get from "The Troll Room" to "Living Room", you need to take the following steps:

1. Go north to the East-West Passage.
2. Go east to the Round Room.
3. Go southeast to the Engravings Cave.
